Sir:

RESPONSE TO NOTICE TO FILE CORRECTED APPLICATION PAPERS

This is in response to the Notice to File Corrected Application Papers mailed March 18, 2002. In the Notice, the subject drawings were objected to as failing to comply with the appropriate margin requirements. In addition, it was indicated that the substitute drawings needed to comply with 37 CFR 1.84 and be submitted within two months of the mailing date of the Notice. Accordingly, in order to overcome this objection, applicant has enclosed herewith a substitute set of drawings and is filing these drawings within the two month time period. It is further submitted that the substitute drawings contain no new matter and have been amended to comply with 37 CFR 1.84. Entry of these substitute drawings is respectfully requested. Authorization is also granted, if necessary, to charge our deposit account no. 18-1644 for entry of these drawings in order to avoid abandonment of the application.

Dated: April 29, 2002

Respectfully submitted,
